Excellent tour in a beautiful country! Highly recommend. Ask for Levan. He is a fantastic guide who is knowledgeable and entertaining.

Ove Review on September 13th, 2026

We had an amazing 10-day holiday in Georgia, traveling from the capital to the beautiful Georgian mountains. It was truly an unforgettable experience! Georgia is a beautiful country with so much to offer, from its breathtaking scenery and rich history to the warmth and hospitality of its people. Our journey was made even more special by Glad Travel Georgia. Before the trip, we were in contact with several tour operators, but we chose GTG because they were exceptionally responsive, providing quick feedback and precise information whenever we had questions. Our guide and driver, Levan, was excellent throughout the entire trip. He speaks very good English, is a safe and skilled driver, and has great knowledge of Georgian history and culture. He was also very patient, friendly, and accommodating with all our requests. The long drives felt much easier and shorter because of his good communication and friendly personality. We always felt comfortable and well taken care of. We would especia

We just spent 10 incredible days exploring Georgia, and the trip exceeded all our expectations. The stunning landscapes, rich culture, and warm hospitality make this country an unforgettable destination. A massive thank you to Levan, who was both our guide and driver throughout the journey. His smooth, safe, and impeccable driving on every road allowed us to travel with complete peace of mind. As a guide, Levan shared the history, culture, and traditions of his country with true passion, while always remaining attentive, punctual, and flexible to our needs. Thanks to him, we discovered hidden gems off the beaten path and had truly authentic experiences. If you want to explore Georgia hassle-free and in the best possible hands, I recommend Glad travel and Levan without hesitation! ???

Itinerary Day 1 was a smorgasbord of delights. Great start. Day 2 - full of interest. Day 3. Probably you can improve on the choice of wine tasting venue. We got our samples - out of a tap on huge stainless steel vats, but impossible to hear or learn anything. Essentially just a procession of tourists on tour. Considering the importance of Georgia to world wine-making, this is not a good place to show off Georgia´s heritage. The rest of the day was very good. Day 4. The itinerary could be improved. Kutaisi is not a showcase city of modern Georgia, but it is fascinating with its Soviet remnants. More could be made of this,

such as sights of life from those times - houses, factories, shops, for example. And this should include the former Soviet resort attractions and sanatoriums around Tskaltubo. We stopped at none of these, so we are just left with enticing images on Google Maps. Martvili Canyon is interesting enough. Prometheus Cave much less so - its cacophony of lights an

★★★★★

We had a great time during this Tour which involves a lot of driving as Georgia is very mountainous but overall is very rewarding. Kudos to our guide Tornike which is a very knowledgeable young man both on historical aspects of Georgia and the monuments covered in the tour. Most importantly given the long hours driving, he is a very careful driver, well mannered and pleasant fellow that for his age you can discuss anything with him from world history to world politics in a very knowledgeable and articulate manner. Thank you Tornike - from Giorgi and Ekaterina.

What our customers ask about this tour

Where do we meet on the first day?

If you are staying in Tbilisi one night before the tour, we will pick you up directly from your hotel on the first day. Please send us your hotel name and address once you have it.

Asked in August 2026

I'm flying from London. The itinerary says to be at old town for 10am on the 11th but I was wondering if it would be possible to add stay at the hotel for the 10th? So I can fly in the day before? I'm trying to find some suitable flights from London and the journey is longer than I had anticipated with layovers. Otherwise do you have any other hotel recommendations?

Yes, of course. We can arrange an extra night's stay at the same hotel for the 10th, so you can arrive the day before and be well rested before the tour starts at 10:00 AM on the 11th. The additional cost for the extra night is $90, including breakfast, and it can be paid in cash upon arrival. If you prefer, we can also recommend other nearby hotels to suit your budget, but staying at the tour hotel is the most convenient option since the tour begins there.

What would the total be in £GBP? Also could you tell me about the group that has signed up? I'm unsure at the moment if to book the private or shared room. Also looking at flights into Georgia they all will get there in early hours of Tuesday morning, will the hotel be okay late night check in?

The other group currently signed up is a couple, so they will be sharing a room together. There isn't currently another solo female traveler in the group to share with. Regarding your arrival, since you will arrive in the early hours of Tuesday morning, we recommend booking Monday night as an extra hotel night. The hotel will then have your room ready, so you can check in immediately when you arrive rather than waiting until the normal check-in time.

Asked in August 2026

Can I share a room with my friend who has already paid for the trip? What is the price of the shared room?

Yes, it is possible to share a room with your friend. You can simply make your reservation for one person and choose the shared/twin room option. We will arrange the room so that you stay together. The shared room price is the standard twin-room price, with no single-room supplement.

What is the price I have to pay for shared room?

Please select the twin room option when making the booking. The price will then be shown as $1,570 per person for a shared room.

I have a shenghen visa but it will expire by 05 september and the tour will be finished by 07 september. Do I need a visa from your country?

Moroccan citizens generally require a visa to enter Georgia, unless they hold a valid visa or multi-entry residence permit from an EU/Schengen member state, the US, UK, Canada, Australia, New Zealand, South Korea, Israel, Japan, Ireland, or specific Gulf Cooperation Council (GCC) countries. Standard visas can be requested online via the official e-VISA PORTAL of Georgia.

Asked in August 2026

Would it be possible to get a further discount for the "Georgia – 10 Days: Combined Mountains and Sea" trip?

At the moment, unfortunately, we don't have any further discount available for the Georgia – 10 Days: Combined Mountains and Sea trip. The current price is already our best available rate.

Asked in August 2026

Is the tour from 27/7-5/8 a guaranteed departure? We are 2 wishing to have 2 separate rooms.

At the moment, the departure on 27 July 2026 is not yet a guaranteed departure. We require a minimum of 2 participants for the tour to be guaranteed. Since you are 2 travelers, if you book this departure, it will become a guaranteed departure. We can also arrange 2 separate single rooms for you during the tour.

Asked in July 2026

What is the rating for the hotels? No lunches are provided, but are dinners included? Can you get better prices for international flights than we can?

The hotels used on the tour are comfortable 4-star hotels, depending on the location. The tour includes breakfast only. Lunches and dinners are not included, so you are free to choose where and what you would like to eat during the tour. Regarding international flights, unfortunately we cannot offer cheaper flight tickets than what you can find yourself. We recommend comparing prices on flight search websites or booking directly with the airlines to find the best available fares.
What is the recommended budget for light lunch and good dinner per person per day?
For a light lunch and a good dinner, we recommend budgeting around USD 25–35 per person per day, depending on your choice of restaurants and meals. This should be sufficient for a comfortable dining experience in Georgia.

Asked in July 2026

Are there already any participants registered for this tour for the dates from Tuesday 25 May, 2027 to Thursday 3 Jun, 2027? And how many people have to be registered for this tour, that the departure is guaranteed?

At present, there are no participants registered for the tour departing on 25 May 2027. Please note that this tour is guaranteed to operate with a minimum of 2 participants. Therefore, if the two of you proceed with your booking, the departure will be guaranteed.

Asked in July 2026

Are you able to tell me if anyone else has booked as I wouldn't want to be the only person on the tour? Also what is the age range of the other visitors as I'm in my late 20s. I'm also a hiker and wondering if any hikes are included in the Svaneti portion of the trip.

Unfortunately, we do not have a guaranteed departure for 6 July 2026 at this stage, so we cannot confirm that there will be other travelers on that departure. Regarding Svaneti, there are opportunities for walking and hiking during the tour, allowing you to enjoy the region's beautiful mountain scenery and traditional villages. The exact hiking activities depend on the itinerary and local conditions.
Are you able to let me know if you have any guaranteed departures in July 2026?
Yes, we do have a guaranteed departure on 21 July 2026. If your travel dates are flexible, we would be happy to welcome you on that departure.

Asked in June 2026

Is this itinerary a confirmed departure? I'm very interested in booking if it is.

Unfortunately, this departure is not a guaranteed departure at the moment. We cannot guarantee that the tour will operate on that date.

Asked in June 2026

Is it possible to book a hotel with two extra nights, preferably at the same hotel that is planned for the start of the tour in Tbilisi?

Can you arrange airport pickup upon arrival?
Yes, it is absolutely possible to arrange two additional nights in Tbilisi, and we will do our best to book the same hotel as the one planned for the start of your tour, depending on availability.
We can also arrange airport pickup for you upon arrival without any problem.
Could you arrange an extra night at the hotel upon arrival at an additional cost?
Do you provide complimentary transport to

and from the airport both on arrival and departure?
Yes, we can certainly arrange an extra night at the hotel for your arrival at an additional cost. Once you confirm your booking, we will share the hotel options and the exact price for the extra night.
Regarding airport transfers, yes—we provide complimentary airport transfers both on arrival and departure, so we will arrange your pickup from Tbilisi Airport on arrival and your transfer back to the airport for your departure.
