Sergio Review on June 4th, 2026

Wonderful country and wonderful trip. Our guide, Leri, was very friendly and very kind. Georgia is a place that is definitely worth visiting.

Jenifer Review on December 27th, 2025

Both Glad Travel Georgia and Leri were very responsive and flexible to our needs and I would highly recommend that you do this trip! We have to thank Glad Travel and Leri not only for an incredible trip but for all the support and care particularly with my 72 year old mother being so unwell on arrival at the start of the trip and with us both being away from our home countries. Both made us feel we were in good hands and very welcome as guests here in Georgia. Our memories and experiences will never be forgotten but all for the right reasons and because Leri was so kind, fun and generous to share his passion of this beautiful country. This year we are even more thankful for health and to have made connections with such friendly and kind hosts. We wish you and your family a Merry Christmas, peace, good health and happiness too. What are you waiting for? You'll not regret booking this trip!

Shannon Review on November 18th, 2025

I really enjoyed this tour around Georgia. It was a really good balance of history, scenery, food/wine, and I enjoyed how the schedule was flexible with some days being long and other days being short. I saw so many things in Tbilisi with Levan and it was really fun to explore some of the areas that I never would have imagined like the city caves. Levan was an excellent guide and he really made the tour enjoyable for me. He is very knowledgeable about his country, the history, and the surrounding countries as well.

Nancy Review on November 9th, 2025

Overall, the tour was fantastic! Our guide was always on time, very patient with us, and had great knowledge about the places we visited. His English was clear and easy to understand. The mountains were absolutely breathtaking.

Samantha Review on September 28th, 2025

Levant was an excellent tour guide. I felt very safe with him throughout the tour. He was very professional. Georgia is an amazing country and I felt that this tour provided the best of what the country has to offer.
